Ideation Phase
Brainstorm & Idea Prioritization

Date	31 January 2026
Team ID	SWTID-2026-5878
Project Name	Automating Data Import and Relationship Mapping using Import Sets and Dot Walking
Maximum Marks	4 Marks

Brainstorm & Idea Prioritization Template:

1. Problem Statement Automate employee data imports and display the manager's email on Incidents without manual entry.

2. Brainstorming

- **Import:** Scheduled Import Sets vs. REST API
- **Display:** Form Layout Dot-Walking vs. Client Scripts?

3. Prioritization

Selected Approach: Import Sets + Dot-Walking (Highest score for performance and ease of use).

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Step-2: Brainstorm, Idea Listing and Grouping

Step-3: Idea Prioritization
